1) There does not appear to be any reasonable ground for the sanction of a special scale of pay of 60-1-65 to the additional post of one lorry driver as recommended by the Municipal Council The general scale of pay of 45-2½-65 for the other lorry drivers in the Municipality should be considered appropriate for this additional post also

If the Municipal Council wants to give the benefit of higher initial pay to Sri Shankar, the present incumbent for any special reasons as in the case of other lorry drivers who have been fixed at Rs 65/- as reported by the Municipal Commissioner in his letter of 16-9-55, the question may be required to be taken up separately by the Municipal Council for the consideration of Government

I write to invite your kind reference to this Office letter of even No dated 16th September 1955 on the above subject and to request you kindly to convey sanction to the resolution of the Municipal Council at an early date

I also wish to bring to your kind notice that since Government turned down the proposal of the Municipal Council to fix Sri Shankar at Rs 65/- in grade Rs 45-2½-65, The enhanced grade of Rs 60-1-65 is ~~new~~ proposed in respect of the post of the driver of the new lorry with a view to give the benefit of the enhanced grade to Sri Shankar The work of Sri Shankar, now working as Van Driver is quite satisfactory Besides Davangere being a costly place it is very difficult for the poor officials to manage with a scanty pay The other two lorry drivers working in this Municipality by name Rajappa and Rajagopala Naidu are fixed at Rs 60/- in grade 45-2½-65

I therefore request you kindly to accord sanction to the proposal of the Municipal Council at a very early date
